Dear Bill,

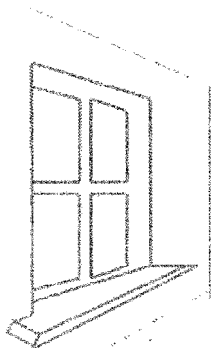

On behalf of everyone here at the Alder Centre, we would like to thank you, Mark, the band and everyone who made it possible for you all to come and ensure that our "Light Up a Life" Service was both a memorable and successful event for all of our families, children and staff.

It is the generosity, time and helpfulness of people like you that make it possible for us to plan and organise those events which have a special meaning for so many. Thank you once again, we really appreciate the hard work of all who participated from Haydock Brass Band and we hope to work with you again in the future.

With Kind regards,

Nataeie
